

Update of the 2021 Financial Statements auditing process

Lima, Peru, September 01, 2022 – **Petróleos del Perú S.A. “Petroperú” or “the Company” (OTC:PETRPE)** announced today that, it has agreed with the auditing company Gaveglío Aparicio y Asociados SCRL – PWC, to extend the date of delivery of the audited 2021 financial statements of PETROPERÚ from August 31 to September 9, 2022 in order to conclude with the review of the forensic due diligence information carried out by an independent expert, as well as the control reports of the Comptroller General of the Republic (CGR) and the Institutional Control Body. This modification has been authorized by the CGR.

It should be noted that, this change will not affect the date (September 30, 2022) the Company must deliver its consolidated audited 2021 financial statements, date that was accepted by 1) the Bondholders of its outstanding Notes Due 2032 and 2047 through the Consent Solicitation process and, 2) the Lenders under the facility agreement with the Spanish Export Credit Agency CESCE through the amendment of this facility agreement.

About Petroperú

Established in 1981 as a Public Limited Company pursuant with Legislative Decree No 43 (founded in 1969), Petroperú is the largest hydrocarbon corporate entity in Peru in terms of total sales and the largest enterprise of the Peruvian sovereign (100% owned by Peru). It is also Peru's second largest refiner in terms of refining volume capacity and form a critical part of the country's energy infrastructure and economy. It has the largest distribution network for crude oil and refined products in the country, and it is the sole provider of refined products to certain areas of Peru. It is also the owner and operator of Peru's main oil pipeline, the “Nor Peruano Pipeline”, which links the crude oil production fields in the northern rainforest of Peru with our facilities in the Port Bayovar near our Talara Refinery. Their business is comprised primarily of midstream and downstream petroleum activities, including: the refining and blending of crude and intermediate hydrocarbon products, the distribution and sale of refined products through our wholesale distributors and associated retail service stations and direct sales, the transportation of crude through the Nor Peruano Pipeline, and the leasing of certain of our facilities to third parties.
