

PETROPERÚ ANNOUNCES APOINMENT OF NEW CHIEF EXECUTIVE OFFICER

Lima, Peru, February 23, 2026 – **Petróleos del Peru S.A. "Petroperú" or "the Company" (OTC:PETRPE)** announced today that, at its Board Meeting held on February 20, 2026, the appointment of Mr. Gustavo Adolfo VILLA MORA as Chief Executive Officer (CEO) was approved, replacing Mrs. Rita Lorena LÓPEZ SAAVEDRA, effective since February 21, 2026.

Mr. VILLA was CEO of Petroperu between December 05, 2025, and January 07, 2026; besides, Mr. Villa had been serving as Operations Manager in Talara. He is a Petrochemical Engineer, graduated from the Universidad Nacional de Ingeniería (UNI), and holds an MBA from ESAN University, with a specialization in Energy Management. He has further strengthened his professional background through an Executive Program in Finance (PAE – ESAN) and formal training in Project Management from the Universidad de Piura, consolidating a solid interdisciplinary profile focused on operational excellence and strategic decision-making.

He has nearly two decades of experience in the hydrocarbons industry, with particular expertise in operations and project execution.

About Petroperú

Established in 1981 as a Public Limited Company pursuant with Legislative Decree No 43 (founded in 1969), Petroperú is one of the largest hydrocarbons corporate entities in Peru in terms of total sales and the largest enterprise of the Peruvian sovereign (100% owned by Peru). Likewise, it is also the Peru's largest refiner in terms of refining volume capacity and form a critical part of the country's energy infrastructure and economy. Also, it has the largest distribution network for crude oil and refined products in the country, and it is the sole provider of refined products to certain areas of Peru. It is also the concessionaire and operator of Peru's main oil pipeline, the "Norperuano Oil Pipeline", which links the crude oil production fields in the northern rainforest of Peru with our facilities in the Port Bayovar near our Talara Refinery. Its business is comprised primarily of midstream and downstream but also upstream petroleum activities, including: the refining and blending of crude and intermediate hydrocarbon products, the distribution and sale of refined products through our wholesale distributors and associated retail service stations and direct sales, the transportation of crude through the Norperuano Oil Pipeline, the concession of Blocks Z-69, X, 64 and 192, and the leasing of certain of its facilities to third parties.
